- Due to volatility in raw material pricing, this quote is only valid for 30 days unless otherwise noted.
- Due to instability in material procurement and manufacturing, verbal or written lead times are subject to change.

Sales tax exempt certificate will be required for exemption. All orders are subject to approval and acceptance by the manufacturer. Deposits may be required. Add 3% to total for charge card transactions. Manufacturing lead times will not begin without an actual shipping address, color and mount selection, approved purchase order or fully executed contract. Customer will need to coordinate with freight carrier if unloading or inside delivery is required. Damaged or missing parts must be noted on the bill of lading at the time of delivery. A finance charge of 1.5% per month will be added to all invoices past due. Return items are subject to manufacturer's policies and may result in freight and restocking fees.

Signed quote will not be accepted for orders over \$500.

Install Conditions - Unless otherwise noted:

- Site should be clear, level and allow continuous access for delivery, materials and equipment. A space must be provided for the staging and secure storage of equipment within a reasonable distance to the jobsite. A water source within 100' of the job site may be required.
- Installation price based on a single mobilization and unrestricted work hours. We can accommodate special requests but they may result in additional labor costs.

- Installation requiring footers are based on normal soil conditions. Rock, coral, asphalt, foundations, pipes, underground utilities, poor soil conditions, and poor drainage may incur additional charges.
- Bliss will call for public locates but the customer is responsible for locating and identifying all private utilities. We are not responsible for damage to unmarked lines.
- If permitting is required, customer is responsible for providing site survey. Equipment delivery and installation times will not begin until permitting is approved. Permitting fees and engineering drawings not included.
- Bliss will smooth jobsite but full site restoration (such as sod) is not included. Bliss will take every care with trees, curbs, sidewalks, fences and other site obstructions but will not be responsible for damage caused by normal installation processes.
- Removal of trash and spoils is not included. Customer responsible for providing dumpster for debris and/or an area within reasonable distance to spread spoils.
- Bliss will not be held responsible for delays due to weather.
- Customer accepts all responsibility for requests that are not in compliance with ASTM, CPSC or local building codes.
